"Corrina from The Answer is Yes made being safety compliant so easy with their online training modules customised to our business needs.

The online course/training covered a lot of information, delivered in concise chunks that was easily absorbed and enjoyable to watch.

Corrina is passionate about compliance and has shared her knowledge with our team, adapting with us as our business needs have changed"

Sarah Coyne, Azuno Developments

Would Highly recommend Corrina and her team. Very knowledgeable and went above and beyond to help us with our building fire plan and training. Super-fast and reliable. Can't thank you enough! Michael Spackman, Stellar College

"I work at a desk all day and I didn't fully understand or realise the multitude of risks/hazards not only in my workplace but in other industries and sites. Corrina made it very clear and easy to understand

Telia Dwyer, Design Governess

"Great insight into how much more we need to improve our OH&S within our own business "

Jonti, Platinum 3 Painting

Doing Hazard & Risk Assessment Training was A very good way to spend an afternoon-it will start me on a journey I have been planning for a year but failed to start

Mark Bell, Desks Etc

The Hazard & Risk Assessment was very well explained, simple... so that everyone understands

Maraia Cookson, In House Printing

Corrina knows her subject matter and makes it clear and easy to use" Jan Hogarth, Place Mate Architects
